

Buszta NCLEX Review 2017

Renee Buszta, RN, BS, MEd & Tina Raftery, RN, BS, MS

Due to the problems students have been experiencing in receiving their ATT, we have adjusted our class schedule to provide the students with a better chance of success. We are aware that some students have had to wait up to 3 months to receive their ATT. We are also aware many may feel this is an extended wait after graduating but we believe it is in the best interest of all involved.
